approx weight 43kg

foundation

1 no. pads 500 x 500 x 400 mm in C20 concrete (recommendation only)

handling

Please observe health & safety lifting guidelines. A fork lift or crane may be required for off-loading and positioning of the product

maintenance

Depends on usage and position. All elements will require annual cleaning. Galvanised mild steel and coated stainless steel only require maintenance if damaged. Stainless steel requires no further maintenance

**Please note that when a powdercoat is applied over a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.*
