1 no. pads 600 x 400 x 400 mm in C20 concrete (recommendation only)

Handling

Please observe health & safety lifting guidelines. A fork lift or crane will be required for off-loading and positioning of item

Maintenance

Depends on usage and position. All elements require annual cleaning. Galvanised and powder coated mild steel only require maintenance if damaged. Stainless steel requires no further maintenance.

**Please note that when a powdercoat is applied over a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.*
