Fixing centres

1300mm (4' 3") x 150mm (6") - between each base

Approx weight

68kg

Foundation

2 no. pads 400 x 400 x 400 mm in C20 concrete
(recommendation only)

Fixing method

4 no. sleeve anchors per bench

Handling

Please observe health & safety lifting guidelines. A fork lift or crane will be required for off-loading and positioning of items

Maintenance

Depends on usage and position. All elements will require annual cleaning. Galvanised and powder coated mild steel only require maintenance if damaged.

**Please note that when a powder-coat is applied to a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.*
