Approx weight 16kg

Foundation

1 no. pad 400 x 400 x 400 mm in C20 concrete (recommendation only)

Handling

Please observe health & safety lifting guidelines.

Maintenance

Depends on usage and position. All elements require annual cleaning. Galvanised (and powder coated) mild steel only require maintenance if damaged.

*Please note that when a powdercoat is applied over a hot dip galvanised surface pinholing can occur in the surface finish - this is not considered a defect.
